

BETTER BATHROOMS & KITCHENS

FAMILY APPEAL

A TIMELESS, VERSATILE SPACE

For this project, Better Bathrooms & Kitchens was provided with a brief to create a functional family kitchen space that also incorporated a laundry. Extending the kitchen into the dining area, the team had to ensure that there was still room for the existing six-seater dining suite.

In keeping with the Federation style of the home, the kitchen features traditional inframe cabinetry doors in solid New England oak. Painted in Dulux's 'Blue to You', the cabinetry still shows its natural grains, and features Hettich's soft-close and Blum's TANDEMBOX technology.

To complement the soft-blue cabinetry and achieve the desired timeless look, the Better Bathrooms & Kitchens team selected bluestone floor tiles and Nero Angola granite benchtops. These hard-wearing selections will retain their functionality and aesthetic appeal for many years to come.

The cabinetry cleverly conceals a fully functioning laundry, complete with Miele appliances, Oliveri sink and storage space. Bi-folding external doors open the space out onto an alfresco decked area.

Despite the restricted space available, the Better Bathrooms & Kitchens team ensured the kitchen still included large modern appliances and ample bench space. While inframe cabinetry has a tendency to reduce storage and access, this was overcome by fine-tuning the storage solutions and prioritising the family's needs.

Established by Garrett Hebden, who has nearly 25 years of industry experience, Better Bathrooms & Kitchens has been recognised for its exceptional work, receiving many accolades over the years, including being awarded runner up at the 2012 Housing Industry Association awards for Victorian Kitchen Design of the Year and being a finalist for Victorian Bathroom Design of the Year.

Better Bathrooms & Kitchens specialises in designing and building all styles of kitchens, and operates throughout metropolitan Melbourne, completing about 50 projects each year. Whatever your tastes or budget Better Bathrooms & Kitchens has the expertise to complete your project, guaranteeing exceptional results every time.
