

BETTER BATHROOMS & KITCHENS

NATURAL GRACE

MODERN DESIGN AND WARM TIMBER FINISHES

This modern kitchen showcases a beautifully contrasting two-tone colour scheme. Designed by Better Bathrooms & Kitchens' founder Garrett Hebden, the space joins with the living room for bright and welcoming visual appeal.

A Stegbar window splashback allows an abundance of natural light to illuminate the kitchen, while LED strip lighting is fitted underneath the overhead cabinetry for added visibility in the workspace. The Smartstone benchtop in 'Delphi' was carefully selected to complement the Dulux 'Tranquil Retreat' cabinetry, which features a satin finish.

An in-built appliance cupboard was installed at counter height to increase the streamlined aesthetic. Featuring a pull-out pantry, bins and chrome bottle rack, as well as Kesseböhmer LeMans corner units, the kitchen is highly functional.
